When I heard my friend's talking about it, I figured it was just a phase that they were going through. Like who chooses not to use their phone? But this app has really helped me join in the 'offline' movement. Since using this app to have a detox, I've realised how much I rely on my phone and that I need to

All my colleagues in work had been talking about this app and while I didn't think I needed it, I knew it would be perfect for my teenage daughters, so I insisted they install it. A month after installing it, I can see how they have cut down on using their phones, and they actually talk to us at the dinner table now! This app
